Dear Bill,

You make our world a better place. On behalf of LIFE ElderCare's staff, volunteers and Tri City seniors, I thank you for the wonderful outpouring of kindness, generosity and commitment to LIFE ElderCare last evening. The 16th Annual Charity Golf Tournament was not only a most welcomed event, but also an enjoyable and heartwarming one.

The \$50,000 donation will bring 16,666 home delivered meals to Tri City seniors. As I shared with you last night, we are expecting to greatly exceed our projected goals for home delivered meals by the end of our fiscal year. Your wonderful donation means that we do not have to start a waiting list for seniors – and can continue to make certain that no senior in need of a meal goes hungry. Thank you for this priceless gift.

You are a most integral part of the LIFE ElderCare family. Our deepest appreciation to you, Mary, the RGW staff and all the golfers. We are truly blessed.

Sincerely,

Mary M. Anderson
Executive Director
